

Financial Health Assessment & Scoring

Actionable Insight Into Employees' Financial Health

The FinHealth Score® is the logical first step in launching an actionable, quantifiable financial wellness benefits program.

- 1 CONFIDENTIAL ASSESSMENT
- 2 SCORE WITH BENCHMARKING
- 3 ACTIONABLE FEEDBACK
- 4 SCIENTIFICALLY DEVELOPED

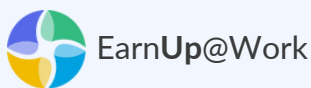

A 30 second quiz helps your employees understand how to optimize their financial health, and gives you the ability to benchmark employee progress.

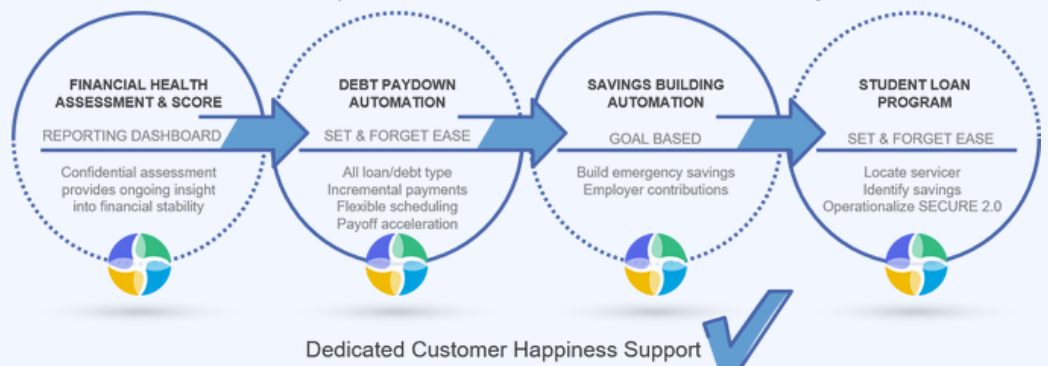

You will receive anonymized aggregate data to quantify financial wellness adoption and the impact in has on your company's bottom line.

Financial Wellness is the most requested benefit. Education alone is not enough.
