

Life of Loan Autopay

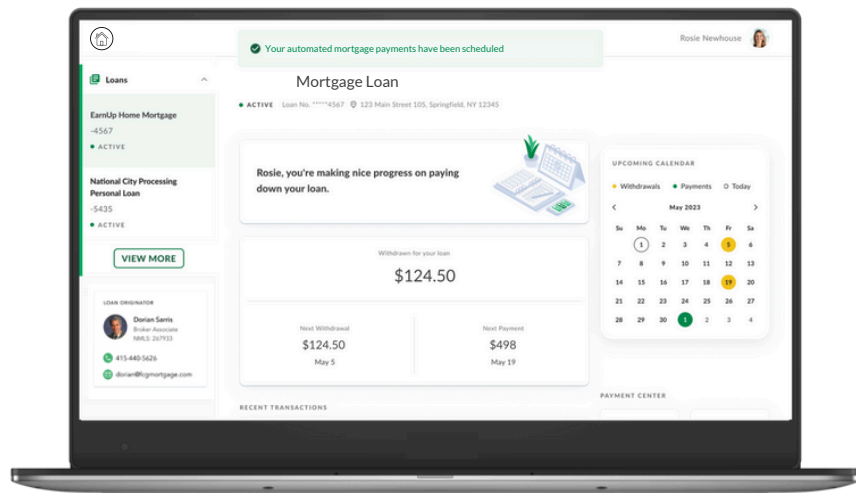

Keep Your Brand Front & Center

Maintain the Borrower Relationship Beyond the Close of Escrow

Provide borrowers the ability to put their mortgage and other debt on autopilot, with the option to accelerate payoff to save on interest fees, all in your own branded dashboard.

- 1 STAY TOP OF MIND FOR REFI AND OTHER RECAPTURE
- 2 ELIMINATE FPD & EPD RISK
- 3 ACCESS TO NEVER BEFORE AVAILABLE BORROWER DATA
- 4 ELIMINATE FPD & EPD RISK

Unmatched Value to Originators & Borrowers

- Frequent monthly visits establish a lifelong relationship
- Display targeted cross sell and refi opportunities along with one click, auto-populated application
- Borrowers use a single sign on to automate auto, personal, student, and mortgage loan debits
- Automated debits can be broken into 2, 3, or 4 increments and synced to their payday
