

Student Loan Payoff Program

Student Loan Debt Impairs the Ability to Repay

Student loan debt can hold people back from other financial goals, like paying their mortgage and building generational wealth.

- 1 LOCATE CURRENT SERVICER
- 2 ASSESS PROGRAM ELIGIBILITY
- 3 PAYDOWN SCENARIOS
- 4 ACCELERATE PAYOFF

This is not a refinance marketplace.

This is a tool where people with student loans can locate their current servicer, assess Federal program eligibility and instantly apply.

Then they can put those payments on an autopilot schedule to payoff the loan faster and save in interest.

EarnUp's award winning platform integrates three suites for consumer engagement & financial stability, payment surety, and data & analytics.

We send automated payments to 200+ mortgage servicers & depository institutions and maintain a 99.7%+ debit success rate
